

A Personal Invitation for You to Support Our
17th Annual Junior Golf Day
and "Clothes for SI Kids" !

About our Annual Youth Golf Event in Support of "Clothes for SI Kids"

Way back in 2003 Dale Fowler conceived of a small youth golf event in Harrisburg, to raise a few dollars to help a few disadvantaged children with new clothes.

The event continues today - combining a day of free fun for kids, but also to showcase those businesses, groups and individuals who donate in support of our "Clothes for SI Kids" outreach that now assists hundreds of southern Illinois children each year via our non-profit 501(c)(3) organization known as the Fowler Bonan Foundation.

All of our supporters are recognized at the event, and some significant gifts are expected to be announced. We are proud of what we do, and equally proud of our supporters!

Please consider giving generously to the Fowler Bonan Foundation and our "Clothes for SI Kids" outreach that provides brand-new clothing, totally free-of-charge, for disadvantaged children throughout southern Illinois -- advancing the vision of our chairman Dale Fowler and our mission of "*Building Confidence and Self-Esteem Within Our Local Youth.*" And please read on for more information. Thank you!

How to Support our youth golf day and "Clothes for SI Kids"

We rely solely on donations from individuals, businesses, churches and community groups to fund our outreach, and we receive donations year round, but helping to sponsor our youth golf event is a special way to show your support. We are a registered 501(c)(3) non-profit organization, thus donations are tax-deductible. [We can issue a Form W-9 (which certifies our status) upon request; our FEIN is 45-4454609.] We are also happy to facilitate arrangements to receive electronic vendor payments in cooperation with your accounts payable department. Just call us!

Checks can be made payable to the FOWLER BONAN FOUNDATION. Remember, every \$100 in donations clothes one child. You may become a partner with us by selecting from the giving options below, but please know that the foundation gratefully accepts support in any amount, and accepts donations year-round. Thank you.

What Others Are Saying About "Clothes for SI Kids"

DID YOU KNOW that children we assist are referred from a host of school districts and social service agencies throughout southern Illinois? Our volunteer network of school staff, social workers, counselors and caseworkers -- in dozens of Illinois communities -- serve as our "eyes and ears" to identify kids in true need of one of the most basic of all needs -- clothes on their back. (And with child poverty rates around 30% in much of our area, the need for our services remains great.) **HERE IS WHAT SOME SAY ABOUT US:**

"I want to express my appreciation for your generous support. You have provided a young lady with a supply of new clothes for wear to school. This was a confidence booster for her. Her attitude carries over into her school work, social interactions and overall mood in the educational setting. You are not just providing clothes, but a whole new attitude." **TriCounty Special Education Cooperative REACH Special Education Teacher Jennifer Bunton, Murphysboro Middle School**

"Thank you for the clothing purchased for our students. You put a smile (among the tears of gratitude) on the mother's face when she was told of your assistance. She says thank you. We say thank you!" **Shawnee School Dist. Supt. Shelly Clover-Hill**

"I know you sometimes don't get to see the results of all the good work you do, but I get to see it in my community. Thank you for all you do for children. Your foundation is truly a blessing to many families." **Eldorado Unit 4 Schools Family Resource Developer Starla Yarber with Egyptian Health Department**

"We would once again like to say 'Thank You' for coming to our help when asked. You were there for us when we asked for aid for four of our students. By helping these students and families, their worries of providing for their children were lessened. We are very grateful." **West Frankfort Schools / John Wright, Anita Blackburn and Monica Forgatch**

What Others Are Saying About "Clothes for SI Kids"

"Thank you for supporting students in Cobden and Southern Illinois as winter approaches. The Cobden Jr./Sr. High staff appreciate you". **Cobden Schools Counselor Charlee Forson**

"Thank you for being such a wonderful blessing for a family of six kids!!!! The parents have been hard workers in the work force who have lost their jobs recently. They were overwhelmed by your kind generosity today!" **Egyptian Health Department Family Resource Developer Carolyn Hoskins, Carmi / White County Schools**

"I am writing to tell you about the children that you showed kindness towards. They are very appreciative of your generosity. They included a mother in need of clothing for her children following a fire, and a disabled single father having difficulties affording clothes for his child. Thank you so much." **Centerstone Services / Ella Kelly**

"Thank you so much for the clothing you purchased for three families. They were very excited to get pajamas, coats and other clothes. Thank you again for your help with our teen-age parents and their children." **Williamson County Early Childhood Cooperative / Denise Basler**

"Thank you again for providing new outfits this year for several of our East Side Elementary students. I can tell you a burden was lifted for their parents. It truly helps them to feel like other children, and allows them to focus on learning and everyday happenings in the classroom and at school." **Mark Scott, Principal**
